EXPERIENCE

Elite Development — CEO / Developer **Followage - 207 Members**

2020 - PRESENT

As the CEO here, it is my responsibility to look after the team / company as a whole. I help manage our staff and development team.

Team Disown — Founder **Followage - 546 Members**

2020 - Current

It is my job to look after all our players and all our staff members. I take in complaints and handle them to the best of my ability. I also constantly track staff activity and watch our players to see what needs to be changed.

Team Atlantis Creative EU — Helper **Followage - 75,437 Members**

2019- 2020

I handled all modmail tickets and helped around in the creative box fights for users. (There was a matchmaking system). This meant that I took loads of abuse as a staff member but I learned to deal with it.

Myst Tournaments — Co-Owner **Followage - 80k+ Members**

2019- 2020

I was co-owner so took almost all responsibility for watching our staff, managing administrators, managing our server, I trained new staff how to use modmail and much more.

Team Delusion / Vanity — Owner **Followage - 2.4k Members**

2019- 2020

I handled our staff and players to the best extent I could. Due to the nature of the team community, this also came with lots of abuse.

SKILLS

Developing - I'm actively looking for ways to improve so if you have any tips, give me a shout!

Experience - With my experience of managing large servers, I'm relatively stress free and am comfortable making big decisions split second.

Improvement - As I stated before, I'm constantly looking for ways to improve and this helps me move forward with the "wave" that is currently happening and keep on top of forthcoming issues.

English - My English is at a very good level which means that I'm very good at e.g.: Writing announcements for you to look as professional as possible.

LANGUAGES

English - Extremely Fluent.

Poish - Not great, Still learning.
